Mr. A. G. Eddy, Principal,
Onaga High School,
Onaga, Kansas.

Dear Mr. Eddy:

I acknowledge with thanks your good letter of February 25th. I have just looked up the dates of our Big Six Conference annual meeting, which is held at Lincoln, Nebraska on May 20 and 21. The basketball coaches are supposed to be there during that two day meeting for a schedule.

I am wondering if it would be agreeable to you to have your commencement date on May 19, as you mentioned in your letter of February 16 either May 19 or 20. When I wrote you my reply on February 21 I was not cognizant of the meeting at Lincoln on May 20 and 21.

It would be a pleasure for me to come on May 19 if you can arrange it. If you could not have any other date but the 20th it would be necessary for me to see what I could do toward arriving at Lincoln on the 21st. I will appreciate your cooperation if it is possible to change to the 19th.

I will be happy to come for \$25.00, and I will pay my own expenses.

Very cordially yours,

Director of Physical Education,
Varsity Basketball Coach.
