Principal A. G. Eddy,
Onaga Rural High School,
Onaga, Kansas.

Dear Mr. Eddy:

I am very happy to acknowledge receipt of your inquiry of the 16th instant. At the present time I do have both May 19 and 20 open.

The prices in the past few years have undergone some revision. Previously I had received a \$25.00 honorarium and expenses, but I am perfectly willing to live and let live. What has been your customary price for your commencement speaker?

It would be a pleasure for me to appear at your school at commencement time.

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
