Dear Mr. Kingkade:

We expect to be in Oklahoma City Friday morning, February 18. We will arrive some time around 7:40 a.m. on train #27.

We will be at your place during the day, leaving for Norman that afternoon, and after the game we will catch a train home for Lawrence.

Will you kindly make us our usual day rate allowance? I will let you know the exact number later, but if you do not hear from me it will be around 15 in number.

Very cordially yours,
