

Footwork in Basket ball

Biological theory of life -

Tiger develops muscle - catch game

Child develops muscle

Frustration

When we are forced into a

skill that we do not enjoy

Like the

"The young boy in N.Y. who says
it's strenuous but to hell with it."

Cultural Value of Phy Ed

When you read - if you didn't enjoy
Tennyson, Kipling - Just for culture then
What you play Tennis, Golf, Basket Ball -

The physical educates the whole
body to a higher cultural yard
more quickly than the so called
present day academic education
