

Regarding Your Order

IN ORDERING, please indicate names of authors, as many of our titles are similar, and print or typewrite your name and address.

Discounts

The prices indicated in our catalogue are strictly net but if your order amounts to \$10.00 or more, we allow a 10% discount. If remittance accompanies your order, we prepay all transportation charges.

Charge Accounts

If you desire to open a charge account kindly furnish us with school or college reference. Your initial order should not amount to less than \$5.00 because of book-keeping expense. If you have a charge account and have changed your address, kindly refer to your previous address and school or college affiliation.

Unless otherwise specified we will ship your order by parcel post or express, whichever is cheaper. All orders, with few exceptions, are shipped the same day they are received.
