Lendons and lung capacity
Brute strength and bulging muscles -
and hard fighting spirit
This mental & physical structure - high minded
Old and new conceptions of Phys. Education

Coach a coach

Biological theory of play - young generation -
Social aspects of science and art - opposition & liking
Coach a character builder. He wants to present his
of energy - this problem would indeed be easy.
If other teachers could top the same or comparable scores
Coach is a teacher - a pedagogues -

Coach a teacher
