Mr. Charles Marble,
Superintendent,
Troy High School,
Troy, N.Y.

Dear Mr. Marble:

I ask your pardon for the delay in answering your letter of April 1. I have been in Minneapolis attending the Central District Physical Education convention, and in Chicago for the National Basketball Coaches Association and the National Rules Body meeting.

I have definitely set aside in my calendar May 23 for the commencement at Troy, and assure you it will be a pleasure to be there. I shall try to arrive at least by 7:30 p.m. so that I may have the privilege of meeting your faculty members.

Thanking you, and with best wishes, I am

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
