This past spring at
Salt Lake City - In June a season
of Pasadena Calif - speaking
before the Natl. Congress
of Parents and Teachers
spoke of the astounding
low fertility rate among
the upper 10% of our
College Graduates.

Therefore to offset this we must
have - Adequate Community Libraries
Broad Community Programs
for Physical and Mental Health.

"Any creative work is
play. Jesus said to a
group of men, "follow
me and I will make
you fishermen of men."
Their chief work was
fishing

Buffalo Country

Last summer when in NY
at Columbia Univ while
lecturing to a class - I told
them that it was not an uncommon
sight to see nearly a thousand
Indians clustered together in
Lawrence, Ks. - Not for a
parade exactly, but to
more exact for a chew-chew
- then this statement took
on a different meaning.
