

The Common Principles of Every Day Living.

My second visit in 6 months - Not misunderstood
Hitler - The Dog is Dead!

Today is the age of great concern - Let His Matter Worry

We are much concerned in the life of
our young. The meeting here ^{thought} testifies to that fact.

Some 16⁻¹⁷ or eighteen years ago me thinks I
here these lines mused by a young ^{loving mother}
~~and~~ a proud happy father - So we a gift
yet the wrath of many lands & sets -

But the human animal in all climes
love their young - Same fifteen years
ago this spring Tara Humara Indians.

So let us start with the sand pile age in

America - ^{boy city} ^{girl - home} ^{still} Fooling play -
Over here serious play -

From Sand Pile Age to the Gang Age -

Boy is very selfish creature. He ought to want
the biggest piece of pie - Pain to lose and
joy to win causes him to discipline his body -
He will say no a thousand times to temptation so that he
may say "yes" once to victory. The stone that the builders
