rejected the same has became the head of the carner -
The bridle for the young American Broncho.
The smoking of cigarettes and the drinking of beer
should be considered from an efficiency standpoint
and not from a moral point of view.
Maude Rayden If there are more girls smoking cigarettes in
America tonight than boys it is the fault of the
Educators. — They have failed to find something
for the young women that will hold them and
grip them so convincingly that they will say no
to injurious temptation in the same manner
that athletics has done for the thoroughbred athlete
who really trains with all of his heart and soul
Dentist - Young Girls Teeth Yellow -
may not be athletes in any of its
Dr. Wrapplett of the Faculty forms but surely there is something to be
found in the female make up that can be
appealed to that will revolutionize her training
Who is the heroine of the growing girl Helen Wills
Moody? - the product of the athlete - the
artist, poet, sculptor, scholarly athlete that are
Neutrality No! fast hip-swinging, shoulder
