

U of  
Oregon a dream team  
for any coach rivaling  
the Lucetti-Stanford  
Bunn of a year ago  
Oregon took near the end  
of the season when Oregon  
took California Texas  
Oklahoma and Ohio  
state in stride it is  
my opinion that Oregon  
could have whipped  
any team in the U.S.  
The best officiating in  
the country obtained in  
the regional Western West  
play off in ~~Tennessee~~ ~~Idaho~~  
more according to the rules  
held ball calling <sup>offense</sup> foul on  
the dribbler  
Much credit should go to Mr Pro  
Bunn and his workers for the result
