Dear Dan:

Thanks for your good letter of the seventeenth instant. I am sending you a carbon copy of the letter that I am writing Carl Anderson, Gene's father.

We have just finished our summer session of eight weeks and at the present time I am cleaning up a lot of the stuff that could not have been taken care of during our busy eight weeks. As soon as I hear from Gene's father I will communicate with you regarding the time that I will be in Salina. Henry Shenk and Dean Nesmith are in Wichita this week at the coaching school so it will be necessary for me to stay close to the office to run the local affairs.

Ernie Quigley is still in bed at home, but is making satisfactory progress.

With all good wishes to you and yours, I am

Sincerely,

Forrest C. Allen
