

March 1, 1940.

Mr. Ned Nordness,
Sports Editor,
International News Service,
Kansas City, Missouri.

Dear Mr. Nordness:

It is still early to make selections of the first and second Big Six Conference teams, as our conference play does not end until March 8th.

However, I have listed below two alternatives; the first is based on the assumption that Kansas will win the conference championship; the second list is made on the assumption that Kansas will not win the conference. I have picked teams, and not individuals, as I am better acquainted with them as teams.

First Selection

1st team

Don Ebling (forward)
Ralph Miller "
Bob Allen (center)
Dick Harp (guard)
Bruce Voran "

2nd team

Howard Engleman
Jimmy McMatt
Blaine Currence
John Lobsiger
John Kline

Second Selection

Jimmy McMatt
Ralph Miller
Bob Allen
John Lobsiger
Blaine Currence

Don Ebling
Clay Cooper
Herb Schleffler
Dick Harp
Marvin Mesch

I do not believe there is any all-American material in the Big Six this year, although we have some boys coming along for next year.

Very sincerely yours,

Director of Physical Education and Recreation,
Varsity Basketball Coach.
