Dear Everett:

I am more than interested in your letter of November 8th asking that I serve on the Advisory Board of the National Interscholastic All-American Honor Roll Society.

Will you kindly explain to me the plan of subsidization and how you get the money to pay ten cents per name? I would like to know more about it, and upon receipt of your letter of explanation I assure you I will be happy to offer any suggestions that are deemed advisable.

With every good wish, I am
