Mr. Forrest Allen
Basketball Coach
Kansas University
Lawrence, Kansas

Dear Mr. Allen:

We have organized a National Interscholastic All-American Basketball Honor Roll Society, and would like to have you act as a member of our Advisory Board. Jimmy Needles of Loyola University, Los Angeles; Dr. H. C. Carlson of University of Pittsburgh; Sam Barry of Southern California; and Ward Lambert of Purdue University have agreed to serve in that capacity.

A boy to be eligible to receive the certificate must be recommended by his coach, and must meet certain standards such as ability, attitude, cooperation, and loyalty. For every member certified, we will pay you ten cents and use your name, and if you see fit to accept this, would you please sign your name and we will have the plate made so that it can be printed on each certificate. In that way, it will not be necessary for you to sign each individual certificate--but, will be printed. In addition, we would like for you to suggest standards that should be met by the players in order to receive the certificate.

The high school coaches I have contacted are very enthusiastic regarding the idea and feel that the boys on their respective squads will have a like enthusiasm to meet the requirements.

May I have your answer soon and any suggestions will be appreciated.

With kindest personal regards, I am

Sincerely,
Everett H. Case
