

December 6, 1937.

Mr. Everett M. Case,
Frankfort High School,
Frankfort, Indiana.

Dear Everett:

I have your letter of December 3 and would appreciate hearing from you in regard to all the requirements demanded of the boys to make them eligible to receive recognition from the National Interscholastic All-American Basketball Honor Roll.

I will be glad to act as a member of your Advisory Board. Doubtless you have consulted the executive secretaries of the different high school athletic associations. They, of course, have definite requirements that you have set out, such as training, attitude, cooperation, sportsmanship and loyalty. I think training should be one of the fundamental requirements. Scholarship should come first.

I am enclosing my signature made on gloss paper with India ink so that you can make a print therefrom.

I will be happy to have you keep me advised as to progress you are making. I, of course, would like to see one of the certificates when you have them in shape, and also I would like to know how you are heading up your organization and when you plan to meet. Would it not be well to meet during the time of the National Basketball Coaches meeting, and plan some sort of a program that definite work could be done while the entire group were together?

I will thank you for added information as it comes to you.

Very cordially yours,

Varsity Basketball Coach,
Director of Physical Education.
