Dear Dr. Allen:

I would greatly appreciate receiving a list of your selections to the mythical first and second All-Conference teams among the basketball players of the Big Six.

If it is convenient for you to do so I would like to receive your selections and a short conclusion as to their choice within the next two weeks.

If there are any players in the Big Six that you consider of All-America caliber would you list them, also, and the reasons for their choice.

With kindest personal regards,

Yours sincerely,
