

March 1, 1940.

Mr. Karl Klooz,  
Bursar,  
University of Kansas.

Dear Karl:

I have a letter from Mr. George Edwards stating that he is taking some additional men with him on the trip from Columbia to Lawrence, Kansas.

The Kansas Aggies carried 14 to Lawrence, and Nebraska carried 14 from Lincoln to Manhattan.

I am merely mentioning this to show you that there is no thought in anybody's mind that if you carried more than 10 you would be fracturing a Big Six rule.

Very cordially yours,

Director of Physical Education and Recreation,  
Varsity Basketball Coach.
