Dear Mr. Lundquist:

It is pretty early to make selections for the first and second Big Six Conference teams, as our conference play does not end until March 8th.

However, I have listed below two alternatives; the first is based on the assumption that Kansas will win the conference championship; the second list is made if Kansas does not win the conference. I have picked teams rather than individuals, as I am better acquainted with them as teams.

First Selection

1st team

Don Ebling
Ralph Miller
Bob Allen
Dick Harp
Bruce Voran

(forward)
"

2nd team
