

March 8, 1940.

Mr. A. N. Myers,
422 Coolidge Ave.,
South Hills,
Pittsburgh, Pa.

Dear Mr. Myers:

I am very much interested in your letter of the 2nd instant and the photograph of your new backboard.

I am wondering if you would like to display your backboard in Kansas City at the time of the National Basketball Rules meeting, the Basketball Coaches Association meeting, and the N.C.A.A. Basketball Tournament. The semi-finals in the tournament are on March 22 and 23, and the finals on the 30th. The association meetings begin March 28, and continue through April 1.

The conventions are to be held at the Hotel Continental, and the teams will be permitted to practice in the gymnasium of the Kansas City Athletic Club which is located in this hotel. This would be an ideal place for your board to be installed, and I am sure that it would attract much attention from the coaches, players and officials.

If you desire to display your board you may address it to me in care of the Hotel Continental, Kansas City, Missouri, and I will see that it is properly installed. Let me know the approximate date that it will arrive so that I can make arrangements ahead of time.

With best wishes, I am

Very sincerely yours,

Director of Physical Education and Recreation,
Varsity Basketball Coach.
