

Mr. Clyde Baker

March 12, 1946

I am enclosing a check for \$20.00 which Don Uhlenhop sent. He wants 6 \$2.00 tickets, so deduct the price for a special delivery letter and the \$12.00 for the tickets and enclose his balance with the tickets. I am endorsing the check so that you can handle it there.

Dr. P. J. O'Connell will call at the box office for his 20 loges seats.

I have three other requests that I will appreciate your handling along with these. Mr. Lute Northrup of the Northrup Lumber Company in Iola, Kansas, wants 4 \$2.00 seats and he is writing you, enclosing his check. Mr. Northrup is one of our 32nd degree athletic fans and a very wealthy and loyal alumnus of Iola.

Mr. C. D. McKnight, one of Wendell Wilkie's righthand men and a high executive in the Santa Fe Office Building at Topeka, Kansas, wants 10 \$2.00 seats. He is also sending you his check with a self-addressed envelope. I will thank you for taking care of these.

Lt. Paul A. Hardman, a Kansas football player who has just returned from service and has not been detached from Fort Leavenworth yet, phoned me for 10 \$2.00 tickets. I will thank you if you will make this reservation and he will call at the box office in Kansas City before the week end.

Bake, I am trying to put the soft pedal on everyone of these calls that come into me, but some of them I simply cannot turn down because they know that I handled this tournament once and they still think that I can do the impossible. I will protect you from annoyances in every possible way, I assure you.

I do appreciate your wholehearted and kindly cooperation.

Sincerely,

Director of Physical Education,
Varsity Basketball Coach.
