Dear "Phog":

To the best of my recollection all of the notes belonging to the Athletic Loan Fund were turned over to Karl Klooz. At any rate, they were turned over to someone in Lawrence who is handling the collections. I am sure Karl would know about them.

I am pulling for you to go through the conference undefeated. Sorry you lost the game at Oklahoma City.

Sincerely,

A large, stylized handwritten signature in black ink, which appears to read 'Maurice L. Breidenthal'. The signature is written in a cursive style with large loops and flourishes.

Maurice L. Breidenthal,  
President.
