Mr. H. E. Boning, Jr.
Manager
Convention and Visitors Bureau
Kansas City, Missouri

Dear Mr. Boning:

In reply to your letter of the 19th, I would suggest that you write to Mr. George R. Edwards, Basketball Coach at the University of Missouri, regarding the desire of your city to encourage the National Association of Basketball Coaches to return to Kansas City for its 1942 convention.

The Rules Body and Western N. C. A. A. play-off as well as the National will be held in Kansas City this year, but as you know the Coaches Association will meet in New York.

Mr. Edwards is now Chairman of this district which is the Fifth District of the N. C. A. A. He succeeded me as of December 29, 1940. Personally, I believe that Kansas City is a fine place for this convention, but it is very apt to go to Chicago or some eastern city. It is unusual that basketball coaches meet so far west, but you might give it a try.

I am sure that Mr. Edwards will be interested.

Sincerely yours,

Director of Physical Education and Recreation
Varsity Basketball Coach
