Mr. F. C. Allen,
Lawrence,
Kansas

Dear Mr. Allen:

When "Bill" Hargis was in town some time ago I spoke to him about the scoring and timing of the games in your basketball playoff here next week.

You may not remember me by name, "Don Caps" but you will when you see me. Harley Selvidge, "Big Six" Watkins and myself have taken care of all of the A.A.U. tournaments held in town for the last twenty years. We have worked all of the inter-collegiate games since its beginning.

I would very much like to take care of this end of work for you and can also get in touch with the men who have been doing the announcing on the P.A. system should you care to have them.

Hoping to hear from you real soon I am,

Sincerely yours

Donald J. Caps
