Dr. Forrest B. Allen,
Kansas University.

Dear Dr. Allen:

In as much as considerable time has elapsed since it was my privilege to help officiate in the Western Division Collegiate Playoffs, and since I have not yet received reimbursement for Expenses and Fees, I am taking the liberty of writing you. I do not want this to be construed as an urgent request for payment but this is purely to check on the possibility my check might have been mailed, and in some fashion, have gone astray.

My experience has been that in the past, such matters are cleared promptly, so for this reason, I feel that the check may have gone astray - however, if in the normal clearance, the matter has not yet been taken care of, then I would not wish to cause any added work to accelerate clearance. I should appreciate hearing from you, at your convenience, confirming whether or not a check had been previously mailed.
