Please find enclosed financial statement of "Big Six" Basketball Play-Off, held in Wichita, Kansas on March 11 and 12, 1940. I am also enclosing a statement of your respective shares of the receipts after expenses have been deducted. I am also enclosing an itemized statement of administrative expenses.

Thomas Hopkins Post #4,
The American Legion,
Wichita, Kansas.

The University of Kansas came to Wichita on the Rock Island and returned by way of the Santa Fe, which made their expense account higher than had they bought round trip on one line. This was done on account of their class schedule and their desire to return to the University as early as possible. Since the University of Kansas team expense totaled \$251.35, we are allowing the University of Oklahoma the same proportionate part because there is a differential of thirty-eight cents in the railroad fare between Lawrence and Wichita; and Norman and Wichita. This would make a difference of \$4.58, thereby allowing Oklahoma a total of \$247.40.
