Dear Phog:

How about this? You told me last summer that your team did not have a chance for the N.C.A.A. And now I see that you knocked off Oklahoma Aggies for that district. Better watch out or we'll get together yet. From standpoint of Springfield that would be a miracle indeed. Indiana will look after the small matter of throwing us out of the Eastern Intersectionals. All I can do is hope the boys really go to town.

I'm writing to ask if you will get badges for the Convention. I can do it but thought you might be in touch with the business men in K.C. while you are getting ready for the convention and tournament, and perhaps getting out a program for the finals.

I shall be in K.C. by Monday, March 25th, I expect, and can look after the badges unless it is easy for you.

We are leaving Springfield for Indianapolis Monday, Mar. 18. So as to get some practice on that big floor. Address me there care Tony Hinkle.

Kindest regards.

Sincerely,

Edward J. Hickox
