Dr. Forrest C. Allen
University of Kansas
Lawrence, Kansas

Dear Dr. Allen:

This is to acknowledge the receipt of your letter of March 15.

I note the excellent arrangements you have made with the Kansas City Convention and Visitors Bureau to handle the registration, etc., for our coaches meeting. I had written Blair Gullion, chairman of the membership committee, concerning this item of business and assumed that he had taken the matter up with you. I am writing today telling him of your arrangements. I am sure that he will be much pleased, as this will relieve him and his committee of considerable work.

Ed Hickox wrote me some few days ago that he had made arrangements for the stenotype operator to take down the proceedings of our meetings. I am sure that that has been arranged for and you may dismiss this from your mind.

I am indicating on our program the possibility of a sightseeing tour for Saturday afternoon, March 30. As I have our program now arranged, we should close by late noon on Saturday. I am sure that many coaches would be interested in a tour of the city or places near to Kansas City. This has been suggested to me by many coaches. I am also indicating on our program the price to coaches for the final championship game at the Municipal Auditorium, at 8 o'clock on Mar. 30. I am sure that we should have a good attendance from our group. I will forward you a program later on during this week. I hope it meets with your approval.

You certainly are putting in a lot of time on this set up and I can tell you that I personally appreciate the great amount of work you have done in connection with our meeting. I have often heard it said that to get things done it is always advisable to place them in the hands of a busy man. In your particular case, this has certainly proved to be other than a stock phrase. Many thanks for all you have done. Looking forward to seeing you on March 28, I am

Very cordially yours,

B. T. Grover
