Kansas University,  
Lawrence, Kansas.

My dear Doctor Allen:

Coach Chandler has asked me to send along a picture of himself, and I am enclosing it.

He requested that I inform you he will submit a statement on the rules, or some kindred subject, in a day or so and I trust he doesn't "let you down."

I am hoping to make the trip down to Kansas City with him, and am looking forward to it.

Sincerely yours,

*Ted Carpenter*
