Dear Phog:

I have received your recent letter in which you requested one of my photographs. Am sending it under separate cover. It surely is a honey.

You suggested that I write some type of article. This I am attempting to do, focusing my attention on the banks or backboards.

I am not anxious to start any controversy, since I am going on the Rules Committee for the first time. I was on the track Rules Committee for a number of years, and I noticed that every new man that was appointed to this committee was full of ideas and lots of conservation. I hope to be open minded to new suggestions but yet conservative.

I am,

CE:GR

Very truly yours,
