17 July 1945

Dad (Dr. Earl G. Brown) sent me the copy of #15 issue of Jayhawk Rebounds, which I enjoyed reading very much, and was quite surprised to mention it.

The paper certainly illustrates how everyone is scattered all over the world.

Still enjoy following the goings on in Kansas - the 137th was part of the K. National Guard.

Our 1st Sgt. which back was a Lawrence boy - Muzzy.
Sincerely, Dick.
