Dr. Forrest C. Allen Basketball Coach University of Kansas Lawrence, Kansas

Dear Dr. Allen:

We have had our equipment man and custodian search high and low for the basketball trunks you thought might have been left in our dressing room. We fail to find any trace of them, and it looks as though Engleman will have to be playing without his pants.

If they were left in the dressing room at our place it is entirely possible that some of the youngsters who hang around the building trying to get autographs of your team might have picked them up as a souvenir.

BASKETBALL INTERPRETATIONS OF THE BIG SIX CONFERENCE

FOR THE YEAR 1940

1. GENERAL SUGGESTIONS

a. Officials should notify athletic authorities upon their arrival in town.

b. Starting time of games will be as follows:

1) Iowa State: 7:15 p.m. during the week; 7:30 p.m. on Friday and Saturday.

2) Kansas: 7:30 p.m.

3) Kansas State: 7:30 p.m.

4) Oklahoma: 7:45 p.m. (May be 7:30)

5) Missouri: 8:00 p.m. 6) Nebraska: 8:00 p.m.

- c. The home team shall wear white shirts; the visitors are to dress in their school colors.
- d. A copy of the official box score shall be mailed to the Secretary of the Big Six Conference.
- e. The visiting team is to send to the home team, at least eight days in advance of the game, the names and numbers of all players who will make the trip.
- f. Each school is to exchange with all others squad information, primarily for pre-game publicity. This information should include number, name, position, height, weight, home town, year on the varsity, men lost by graduation, veteran letter-men returning, and any team records which may add to newspaper interest.
 - g. The type of ball used by each school is as follows:

1) Iowa State: Riddell

- 2) Kansas: Rawlings Waismith Lace, or Rawlings Molded.
- 3) Kansas State: Rawlings Neismith Lace.

4) Missouri: Riddell

- 5) Nebraska: Riddell
- 6) Mclahoma: Riddell

h. Ten men is the maximum that a coach may take on a trip. There is no rule on the number that may be used at home. (Director's rule.)

2. RULES INTERPRETATIONS

- a. On balls which go out of bounds behind the basket, the twelve-foot lane shall be permitted in which to make the pass back into the court. This, of course, does not apply to out of bound plays following a field goal.
- b. Whenever a ball is awarded to a team out of bounds in its front court, the official should hand the ball to the player in the front court, step aside, and say "Play", and be sure the player is in a position to play.

Basketball Interpretations, page 2.

- c. In the three-second count in the lane, the five-second count out of bounds, and the ten-second count in advancing the ball to the front court, it is asked that the officials use the so-called "artillery man's count". In other words, the coaches favor a slightly long second as they feel that officials have been hurrying, particularly the three-second and the five-second count. It is suggested that officials practice this count with a stop watch.
- d. The official score book for the game is to be left at the scoring table at the half.
- e. Attention is called that the officials take particular pains to see that the scorer knows on whom the foul has been called. It is recommended that the official in the most favorable position get this information to the scorer.
- f. In designating field goals, it is asked that the official raise both hands up, as in a touchdown; that one hand be raised up for a free throw. In designating no goal, both hands crossed parallel to the floor, as in the missed point after touchdown.
- g. It is asked that the official scorer for each school have printed in the back of the score book the pertinent rules regarding timing and scoring.
- h. It is the desire of the coaches that Rule 7, Section 9, relative to running with the ball, be observed. Especially that part of the rule which pertains to a man running with the ball in attempting to get around a guard who is in defensive position.
- i. Coaches approve a little slower whistle on held balls. In other words, they want the officials to give that one tug that is permissible before held ball is called.
- j. Would like to call attention to Rule 7, Section 10, particularly to the wording that fumble at the end of a dribble is not a double dribble.
- k. A substitute, when reporting at the scorer's bench, must have his sweat suit off.
- 1. The coaches would like to call the attention of the officials to Rule 14, Section 7, relative to disconcerting the free thrower on the free throw lane.

How basketball as played in the Big Six conference compares with the Southwest conference brand will be demonstrated tomorrow night at Lawrence when the University of Kansas opens a 2-game series with the Mustangs of Southern Methodist university. Bob Allen (left), son of Dr. F. C. Allen, the K. U. coach, and Don Ebling (right), veteran forward, are expected to vie with S. M. U.'s J. W. Coppedge (center), who seems to be up in the air about the whole thing.

University of Kansas

Dear Doc:

Have waited until the last minute thinking something would break so I wouldn't have to do this, but between the Board of Education here and our league schedule I am having a tough time.

With eight teams in the League this year we are having to play two games in the Afternoon and two at Night. When the orginial s schedule came out we were to play the afternoon of Jan. 12th. I would have been able to get up to Lawrence in plenty of time for your game with Kansas State. As the schedule stands now we are going to play at night the 12th. and I won't be able to get there.

Will be up to see your team in action next Tuedday night with S.M.U.

Very sincerely yours,

R.E.Peters

Lee list of officerlo I alternates attached. Mr. Jack Gardner, Basketball Coach, Kansas State College, Manhattan, Kansas.

Dear Jack:

I just received a letter from Reaves Peters stating that when he accepted our game on the 12th of January he had planned on a schedule whereby they were to play in the afternoon of January 12. Now his schedule calls for the game to be at night and he will be unable to be with us.

I find that Carroll was to work with him, and the other choices are "Dutch" Witte, of near Beatrice, Mebraska, an old Mebraska man, and coach of Wyoming; Fred House, of Kansas City; and Roscoe Brown, of Kansas City, Kansas.

I suggest that you talk to Mike and Frank Myers and other boys in your office and you let me know what men you prefer and in what order. We will be glad to obtain those officials if possible. The old agreement was among our coaches that we would secure the fellow next in line, but since both teams have to pay half of the officials' fee I thought it well that you discuss this with your superiors and your colleagues, and I will follow your desires.

I will appreciate hearing from you at your earliest convenience.

Sincerely yours,

Director of Physical Education and Recreation, Varsity Basketball Coach
