Mr. Jack Gardner,
Basketball Coach,
Kansas State College,
Manhattan, Kansas.

Dear Jack:

I just received a letter from Reaves Peters stating that when he accepted our game on the 12th of January he had planned on a schedule whereby they were to play in the afternoon of January 12. Now his schedule calls for the game to be at night and he will be unable to be with us.

I find that Carroll was to work with him, and the other choices are "Dutch" Witte, of near Beatrice, Nebraska, an old Nebraska man, and coach of Wyoming; Fred House, of Kansas City; and Roscoe Brown, of Kansas City, Kansas.

I suggest that you talk to Mike and Frank Myers and other boys in your office and you let me know what men you prefer and in what order. We will be glad to obtain those officials if possible. The old agreement was among our coaches that we would secure the fellow next in line, but since both teams have to pay half of the officials' fee I thought it well that you discuss this with your superiors and your colleagues, and I will follow your desires.

I will appreciate hearing from you at your earliest convenience.

Sincerely yours,

Director of Physical Education and Recreation,
Varsity Basketball Coach.
