

April 22, 1940.

Mr. Robin McGeorge,
Asst. Manager,
Hotel Continental,
Kansas City, Missouri.

Dear Robin:

I have just received a letter from E. C. Quigley, 1909 R.C.A. Building, New York City, in which he enclosed a couple of statements of expense - one for Mr. R. L. Barton of Denver, one of the officials, and the other for E. C. Quigley.

You will remember, Mac, that when I engaged rooms I made arrangements for the coaches, the members of the Rules Committee, the teams who were to play in the tournament, and the officials. You gave me a rate, of course, at \$2.00 for a single room and \$1.50 for twin beds when there were two in a room.

Doubtless in the confusion when Barton, Ab Curtis, Quigley and these other officials came in they failed to tell you that they were connected with our group.

I am going out of town tonight and tomorrow I am going to Leavenworth, and Wednesday morning early I go to Chicago for the week for the meeting of the National Health, Physical Education and Recreation Association. On the following Monday I am to be in Wichita, and on Tuesday I will be at Russell, Kansas. Therefore, it will be some time next week before I can get in and go over the matter of these bills with you and Miss Curtis. Last week I came to town but you were out and I told Miss Curtis to tell you that I would be delayed in settling this bill as it is absolutely necessary that I see you before we can settle it definitely. I want to settle the entire bill for everything at one time, so I will ascertain before I come up when you will be in.

Very cordially yours,

Director of Physical Education and Recreation,
Varsity Basketball Coach.
