Mr. Eugene Zachman,  
Manager, Municipal Auditorium,  
Kansas City, Missouri.

Dear Mr. Zachman:

With a game at Stillwater on Thursday with the Oklahoma Aggies, I find that I will be pretty definitely tied up before the week-end. Hence I will not be able to run down to see you as soon as I anticipated.

However, I am wondering if you will be kind enough to send me one of the old used tickets for the Golden Gloves and one of your regular tickets that you generally print for your ordinary performances there. I would like to see both, and I would appreciate it if you would get me the figures on a complete set so that I may make final determination on the printing.

Very sincerely yours,

Director of Physical Education and Recreation,  
Varsity Basketball Coach.
