

STATE OF KANSAS
DEPARTMENT OF EDUCATION
TOPEKA

April 28, 1943

Deane W. Malott,
University of Kansas,
Lawrence, Kansas.

Dear Mr. Malott:

This department is encouraging all high schools in the State to include Physical Fitness or Physical Training in their daily programs. I am, therefore, wondering if you think it would be wise and practical to include a three-day conference or institute on this subject, similar to the one held in Lincoln, Nebraska, in December, 1942, conducted by your Physical Education Department at some time during your summer session.

This letter is meant merely as a suggestion and may or may not merit your consideration, however, I would like to hear from you at your convenience.

I shall be glad to assist in any way possible.

Yours very truly,

M. A. Callahan,
State High School Supervisor.
