Chancellor Deane W. Malott,
University of Kansas.

Dear Chancellor Malott:

At the University High-Home Night you spoke to me stating that you wanted the commando courses given this summer.

I talked to Dean Twente this morning and he states that the Budget Committee ruled out all summer courses for the Department of Physical Education. I do not see how we can give any of these courses if such is the case. Certainly it will take some action by the Budget Committee, will it not, so that our people will know as to their employment?

Very cordially yours,

Director of Physical Education,
Varsity Basketball Coach.
