

Eighth: May we depend upon you or your principal and at least one Physical Training instructor to attend the institute and later to serve as instructors in a local institute for schools in your section of the state??

Ninth: It will be absolutely necessary that we have your reply on or before Tuesday, November 10th. If you or your principal cannot attend, we must endeavor to find someone to take your place--hence, the urgent necessity for a prompt reply.

Very truly yours,

Geo. L. McClenny
State Superintendent of Public Instruction
