LXXXVII

(13)

Of what is the nervous system composed?  
(This question is to be answered broadly and generally - by just two general groupings)

LXXXVIII (88)

Where are most of the nerve centers located? (Two places)

LXXXIX (89)

~~In the case of a broken back~~

If a nerve is cut, the part supplied by it loses both \_\_\_\_\_ and \_\_\_\_\_  
Supply the missing words.

LXXX~~X~~ (90)

In the case of a broken back, what tragedy might result from pressure on the broken vertebrae? With what bodily result?

LXXX~~X~~ (91)

Why does the nervous system play such an important part in injuries?
