

I also told him that I would write to you - I hope he can come to K.U. for I believe you will like him.

I see where you trimmed Iowa State and that your boys are going good. I am very pleased to know that Owen Peck is doing so well - say hello to that fellow. When is Ray coming back. Is Johnny Raus developing for you - he is a mighty fine boy as you probably know by now.

I am interested in knowing about the football job. Has a coach been appointed as yet? I hope we can get a man who will bring K.U. to power again, for that will help all of our highschools in Kansas.

Please say hello to McGuirey and the gang - I'll be out in June.
