Dr. F. C. Allen
Dept. Physical Education
University of Kansas
Lawrence, Kansas

Dear Dr. Allen:

In regard to your suggestion, I have had my official transcript from Warrensburg, plus eight (8) hours credit from the University of Missouri, sent to your registrar.

I hope you will find my credits and grades satisfactory and that there will be some way that I can further my education, along with being some help around the athletic or physical education department.

I will appreciate hearing from you and hope to be with you at K. U. in the near future.

Sincerely,

Alfred Merwin Brown
