

for you to write Jayhawk Rebounds No 11.
It's simply impossible to put our feelings
into words. T.P. was very close to God,
he will be O.K. But this Jim was our
loss.

at present I am a recruit
physical fitness instructor. However
I hope to be transferred to a school by
Thanksgiving. I'd like very much to
go to Specialist A school in Bainbridge,
Maryland.

Hope this finds you and
your family well.

Again thank you

P.S. Perhaps that second hole-in-one
will give you more satisfaction. I
missed one by six inches once.
