Dr. E. R. Elbel  
Robinson Gym  
Campus

Dear Doctor Elbel,

Do you have an intramural schedule chart, say for 7 teams? Or have you a double round-robin program? The teams will not be playing all on the same court, but one game on their own court and one game on the visitor's court. I think you know what I mean.

A will play one game on B's court and one game on their own court and then in turn will play each of the other teams, C, D, E, F, and G home and home games. In other words, the Big Seven, like the Rocky Mountain conference desires a double round-robin schedule. I do not have access to this scheme of things at the present time, but that is the schedule chart I am wondering if you have. If not, could you put either Raugh, Jessup, or Pfitzsch on it? Thank you for your cooperation.

Sincerely,

FCA/PE
