Dean Paul B. Lawson
College of Liberal Arts & Sciences
University of Kansas

Dear Dean Lawson:

I am very thankful for your letter of the 9th instant offering suggestions as to how we can better reduce the load of classes in our Department.

I have had a number of conferences in regard to this matter and I am sure that next fall we will very radically reduce and condense many of our courses.

Thank you for your letter.

Sincerely yours,

Director of Physical Education and Recreation
Varsity Basketball and Baseball Coach
