Dear Henry,

Gifford Roux spoke to me nearly a month ago asking me to speak to you regarding the basketball pants that he wore in 31M. I have been meaning to speak to you and have been carrying a notation on my desk, but I have failed to bring it up when I have had an opportunity to talk with you due to the fact that other things have crowded it out at the moment.

Roux stated that he was financially embarrassed at the time and wondered if he would be permitted to wear his basketball pants instead of buying new ones at the present. I should like to talk with you concerning this.

Sincerely,

FCA/PE
