

Hall, just out side of Chicago. She came through
terbans on her way to Lindenwood for an interview.
I liked her qualifications. I may go to Chicago
this week end. They may have some candidates
there or from Wisconsin. Shall I go ahead and
see whom I can locate for the position. If
the candidate has had previous experience will
the salary remain at \$1400 as was contracted
for Miss Schilling.

I'm very sorry to lose her, for her work in
dentistry was excellent but she seems to feel
she has a bigger future in her new position.

I shall appreciate hearing from you, as
to what I should do at this time.

Sincerely
Ruth Hoover
