Miss Ruth Hoover,
Department of Physical Education.

Dear Miss Hoover:

A complaint has come to me recently that some of the classes in women's physical education have been held overtime, thus causing the girls to be late to their next classes.

With the large sections that we are forced to handle this fall, I would rather have you dismiss classes two minutes early than to hold them one minute late. In some of my classes I have found it necessary to dismiss ten minutes early so that these large groups could dress and get to their next classes on time.

Very sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
