

beautiful and famous Rock Chalk yell.

I do hope Bob likes his  
internships at the K-U hospital. No  
doubt, it will be an honor for  
you and Mrs. Allen to see Bob come  
back to the campus and intern  
for a 6 week period at the  
student hospital.

The training is very hard  
and rather rapid but we enjoy  
the work in spite of the severe  
cold weather.

Give my regards to Mrs. Allen  
and my favorite Pi Phi; your daughter  
Jane.

Sincerely  
Fred.
