Miss Ruth Hoover
Department of Physical Education
University of Kansas

Dear Miss Hoover:

Dean Schwegler has written me to the effect that the board ramp near the hockey field is rotted. As he passed along there the other day he saw one of the girls stumble and fall through a rotten board. He has called our attention to the necessity of fixing this.

I would appreciate it very much if you could inform us when you or your staff find things showing disintegration. In this way we lessen injuries and also we create a feeling of pride in our superiors, rather than to have them call our attention to things that are getting run down to the heels.

I assure you we will cooperate at all times in correcting these athletic deficiencies.

Sincerely yours,

Director of Physical Education and Recreation
Varsity Basketball Coach
