Mr. Raymond Nichols,
The Chancellor's Office,
University of Kansas.

Dear Mr. Nichols:

At our budget conference held in your office on April 8th, Dean Stockton stated at that meeting that he was not sufficiently acquainted with the activities of our Physical Education faculty to properly evaluate their services.

For that reason, and further, to have you well acquainted with our personnel, I am sending you a carbon copy of the letter that I have written to Dean Stockton.

Very cordially yours,

FCA:AH

Director of Physical Education and Recreation,
